# Parents meeting at Asha Vidhyashram School

We had a great day with the parents. The teachers and the parents genuinely confer about the growth of a child not only academically but also for his/her social growth. It's so productive for the benefit of the children.

# Inauguration of the Vocational Training Centre (VTC) in Biratnagar.

Thank you so much Andre & Regula (Zurich) for inauguration of free vocational training centre (VTC) in Biratnagar. Many of the poor locals are from government school. As a result, they have been facing difficulty to cope with the English language and using computers. VTC will be very helpful for those needy people. We are also very grateful for supporting mid-day meal programm in HOPE school. During their visit they also provided special meal to the children.

# Visit of Nadine Templer

Thank you so much Nadine for making your time to visit HOPE worldwide Nepal. The children are very happy for her love and guidance. We are so grateful for her serving attitude and her heart.

# HYC in Nepal

HYC volunteers served tirelessly in the school for more than a week. We had our benches painted with different colours. They renovated floors and walls of classes which were cracked. We also had our walls repainted and decorated with creative paper designs. They also built and set up book library and donated books and toys for the children. They also repaired unhygienic and broken toilet system of our school.
