

# HOPE *worldwide* Nepal Project Report

## March – April 2017

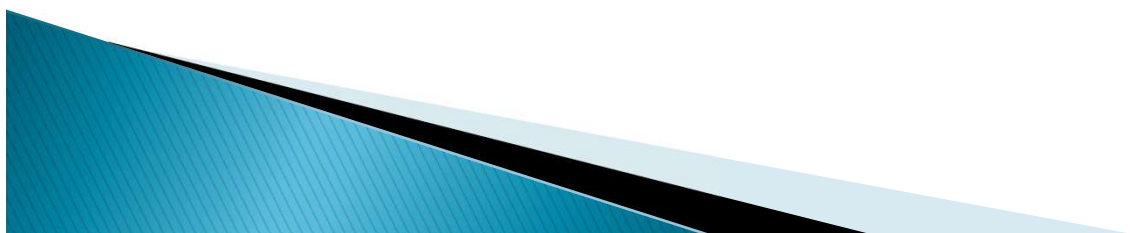

# Introduction of HOPE *worldwide* Nepal

HOPE worldwide Nepal is a non-profit charitable and non-sectarian Organization, registered as a "Asha Sansar" under the District Administration Office in Kathmandu, Nepal and affiliated with Social Welfare Council Nepal.

The main objective of our organization is to empower disadvantage & poor children through free education till primary level and Adults in our society through different vocational trainings.

We help & encourage to the children of the society to know their ability & quality by allowing them to participate in extra-curricular activities like arts competition, sports and community involvement. So that, they can feel proud to themselves & also can feel responsible towards the society.

# Some Activities of the Programme

- ❖ Annual Result Distribution & Farewell program
- ❖ Vocational training center (VTC), Kathmandu
- ❖ Excursion of class 5
- ❖ Story of Rajib Bhujel
- ❖ Vocational training center (VTC), Biratnagar
- ❖ Support from Ylva, HOPE *worldwide* Finland

# Annual Result Distribution & Farewell program

On 24<sup>th</sup> March the school held its Annual Function in a fabulous way. The guest and presents at the function encouraged students and parents to give priority to the education. The children were rewarded for their excellent performance during the academic year. They have not only been rewarded for their academic achievements but also for their fantastic performance in the field of arts, sports, manners and appearance.

This year, Eleven Students of Asha Vidhyashram passed fifth Exams. All of them gained decent score. Very next day of result they visited HOPE school. They distributed sweets and encouraged the present corps. They are sincerely grateful to HOPE school of Kathmandu. New session started from 16<sup>th</sup> of April 2017.

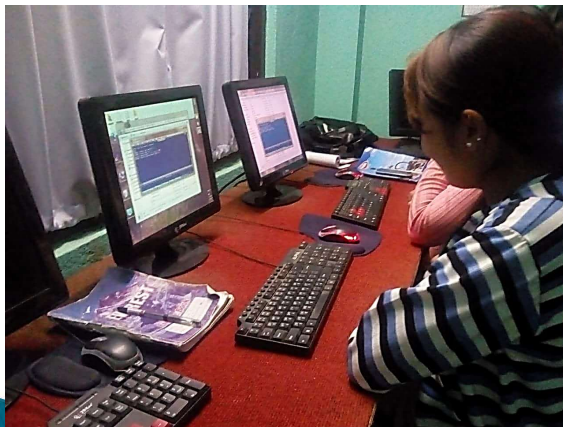

## Vocational training center (VTC), Kathmandu

In this Batch 58 students were benefitted from the VTC. Most of students had done their schooling from a government school due to financial incapability. As a result, they were facing difficulty to cope with the English language and had difficult to operate computer. They were extremely happy and grateful for the service they had received. We thank all the existing donors for their support and prayer.

## Excursion of class 5

On 26<sup>th</sup> April 2017 students of class five went for an excursion. They visited National Botanical garden at Godawari, it is around 20km far from the school . It has been very much informative educational visit for the students. They were so excited to gather information about different Plants. They also learned importance of conserving plants.

# Story of Rajib Bhujel

Rajib bhujel is 8 years old student of grade 1 in HOPE school of Kathmandu. He is a confident and hardworking boy. He lives with his mother, aunt, grandmother, two cousins and three siblings (also student of HOPE school) in a two room rented house. Rajib's mother is a lone bread winner for the family. His aunt is a victim of cancer. His uncle left his family after her aunt suffered from cancer. His mother works as a labour. Rajib and his siblings admission in HOPE School in 2017 was a great relief for his mother.

His mother is very much grateful to HOPE School. She shared it would never have been possible for her to send her children in a good private school. HOPE School made it possible for him to obtain good quality education . She is happy to see her children developing into responsible and educated person.

# Vocational Training Centre (VTC), Biratnagar

We are conducting free English language speaking class in Biratnagar. This programme is helping the people who are financially incapable to afford and are desperate to learn. Although many people are studying in financially incapable English medium school/colleges, they are not able to speak English fluently because of the lack of practice and environment. So, we are proud to provide them the opportunity to progress in their speaking skills. We have been helping 15 students out of which 10 students are in regular basis. We are grateful from our heart to **Andrea Trutman, HOPE *worldwide* Zurich** for providing all the support.

## Support from Ylva, HOPE *worldwide* Finland

We are very grateful from our heart to Ylva from HOPE *worldwide* Finland for providing the support selflessly. They had supported us to get new projector screen, Battery backup, cupboards and tables in our school. We have been able to provide education to the children in more productive and effective manner. They are extremely happy to have so many new changes at the school.

Thank You!
